

PURPOSE

9022

(No. 6, Dec. 1992)

Contributions to Coins for Conservation are intended to supplement regularly budgeted funds in fire prevention and conservation education. Funds may be dedicated to specific projects in specified locations throughout the state.

Each contributor may specify that their donation is applied to one of the following categories, or the donation may be utilized in any or all categories:

- additional fire prevention and conservation education material for public distribution
- roadside fire prevention signs, bumper stickers, decals, special signs for recreation vehicles and the trucking industry
- production of radio and TV fire prevention messages
- Smokey Bear Museum
- purchase additional Smokey Bear costumes
- fire prevention and conservation education research projects
- materials necessary to build fire prevention and conservation education exhibits, parade floats, and other public displays
- conservation projects
- Red Flag Fire Alert equipment, including CB radios, magnetic signs, and Red Flag material.
